The Son Tra (or Monkey) Mountain is one of the highlights of any visit to Da Nang and should not be missed. The mountain is 693m above sea level and home to the Linh Ung Pagoda, the 800-year-old Banyan tree, the Son Tra Lighthouse and of course the Ban Co Peak.

It's a great place for motorbiking thanks to the many winding roads and great views of Da Nang, the Hai Van Mountain, Cham Island and the surrounding landscape. You can also spot the macaque monkeys who are the reason this is called Monkey Mountain.
